davidmmerlo@gmail.com · www.linkedin.com/in/davidmmerlo · www.davidmerlo.com

I am a leader / educator / advocate / practitioner passionately committed to enabling all people the opportunity to improve their health and wellbeing, live self-directed lives, be integrated and contributing members within the communities of choice and strive to reach their full potential (SAMHSA Working Definition of Recovery, 12/10/11).

EXPERIENCE

MAY 2022 – MAY 2024 (RETIRED)

MANAGING DIRECTOR, RESTORATION SOCIETY, INC. (BUFFALO, NY)

RESTORATION SOCIETY, INC. (RSI) IS A PEER OPERATED COMMUNITY MENTAL HEALTH AGENCY OFFERING RECOVERY-BASED MENTAL HEALTH SERVICES IN WESTERN NEW YORK.

Quality Assurance:

- Ensure a properly oriented and trained workforce throughout the organization.
- Orient, train and support managers and directors to comply with policies, achieve outcomes and facilitate agency values and philosophy.
- Develop and implement methods to solicit customer and employee feedback and satisfaction. Work with customer and staff teams to implement corrective methods.
- Develop and implement methods to evaluate agency and employee compliance with various agency procedures and policies to ensure the agency maintains the highest level of integrity and quality in service delivery.

Strategic Planning:

- Assist with development and oversight of strategic planning (in collaboration with Board of Directors and Agency).
- Strengthen operations, ensure employees and other stakeholders are working toward strategic goals, establish agreement around intended outcomes, assess and adjust the direction in response to a changing environment.

Special Projects:

- Organize, lead, and help execute company projects, including agency DEI implementation, psychiatric rehabilitation training and implementation.
- Identify and develop innovative opportunities and new collaborations.
- Keep pulse on upcoming trends in the field and ensures the agency is well positioned relative

JULY 2014 – APRIL 2022

PROGRAM DIRECTOR, BRYANT & STRATTON COLLEGE (ROCHESTER, NY) OCCUPATIONAL THERAPY ASSISTANT PROGRAM

As founding director, developed program design, philosophy, and curricula; recruited, hired, trained, and supervised faculty; wrote program policies; recruited, admitted, and supported qualified students; represented the institution and program within the community; managed, monitored, and reported compliance to Accreditation Council of Occupational Therapy Education (ACOTE) and NYS Department of Education. Teaching responsibilities included:

- OTAP-101 Introduction to Occupational Therapy
- OTAP-120 Human Occupations
- OTAP-135 Level I Fieldwork
- OTAP-201 Psychosocial Interventions
- OTAP-250 Adaptive Interventions

JANUARY 1996 – JUNE 2014

PROFESSOR EMERITUS, ERIE COMMUNITY COLLEGE (BUFFALO, NY) OCCUPATIONAL THERAPY ASSISTANT PROGRAM

Professor and academic fieldwork coordinator for accredited occupational therapy assistant program.

- Liaised with hospitals, clinics, schools, and community programs to develop and sustain high quality experiential fieldwork placements for all students.
- Taught courses focusing on mental health, psychiatric rehabilitation, psychology, assistive technology, and occupational therapy interventions.
- Supported student retention and success through strength-based, person-centered student advisement.

JUNE 1987 – JANUARY 1996

PROGRAM SUPERVISOR, RESTORATION SOCIETY, INC.

Developed and grew a clubhouse-model program, providing recovery-oriented services to people with severe mental health conditions.

- Provided rehabilitation, case management and crisis intervention to diverse population of persons experiencing psychiatric disabilities, substance abuse, homelessness, poverty.
- Hired, trained, evaluated, and supervised staff.
- Developed intake procedures, performed client intakes, maintained client records.
- Designed and implemented a rehabilitation readiness assessment tool used in a supported employment program for individuals with psychiatric disabilities.
- Designed and implemented Personal Development Program which offered consumers collaborative support in goal setting, self-awareness, environmental-awareness.
- Contributed to development of long-range and short-range agency goals and plans in conjunction with agency management/administration team.

CONSULTING/CONTRACT WORK

Rasmussen College. 2019.

- Industry expert consultant for developing Occupational Therapy Assistant Program. Contributed to a unique distance-learning model OTA curriculum design, including course learning outcomes, program sequence, content development, and program sequence.

Baker Victory Services. 2011-2018.

- Consulted in development of web-based transition intervention services (WAY2Recovery). Trained and supported staff in application of person-centered planning and psychiatric rehabilitation readiness assessment and development. Developed a unique approach to

engage students in creating personal websites as a process to develop school transition plans (IEP). This approach was presented at state and national conferences as well as published in a scholarly publication.

Rutgers University, Department of Psychiatric Rehabilitation and Counseling Professions. 2011.

- Advised and evaluated proposal for Occupational Therapy Assistant Program. Conducted on-site review of facilities, faculty, and clinical fieldwork sites. Reviewed program design and curricula. Interviewed key stakeholders (faculty, administrators, staff, clinical affiliates, funders) and submitted final evaluation with recommendations for approval of new academic degree program.

University at Buffalo Center for Assistive Technology. 2002.

- Assisted in the development of assessment instruments for a study on assistive technology. Conducted semi-structured interviews with subjects. Contributed to data compilation and analysis.

Vocational and Educational Services for Individuals with Disabilities (now ACCESS-VR). 1996-1999.

- Developed and implemented an assessment tool used to determine re-employment readiness of individuals with disabilities. Provided individualized job placement services for difficult-to-place individuals.
